

REMARKS

By the present amendment, the claims have been amended as indicated in the Remarks of the Response filed on July 23, 2007, but mistakenly omitted into the Listing of Claims in that Response. Claims 3-4 and 6-10 were canceled by the amendment of July 23, 2007.

Applicant's representative apologizes for the omission in the Response of July 23, 2007.

Thus, by the present amendment, the claims have been amended as suggested in the Office Action dated June 4, 2007, except that, in claim 1, lines 8 and 11, "Formulae (I) and (II)" has been replaced by "formula (I) and formula (II)" because "formula" is not appropriate since there are two formulae, and in claim 1, line 11: "wherein in" has been replaced by "wherein, in" because the expression "the formulae (I) and (II) is not a subject of the sentence.

In view of the above, it is submitted that the objection should be withdrawn.

In conclusion, the invention as presently claimed is patentable. It is believed that the claims are in allowable condition and a notice to that effect is earnestly requested.

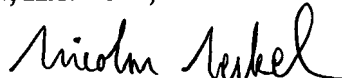

In the event there is, in the Examiner's opinion, any outstanding issue and such issue may be resolved by means of a telephone interview, the Examiner is respectfully requested to contact the undersigned attorney at the telephone number listed below.
